Dear business partners,

the very positive development and constant expansion of Tornado Antriebstechnik GmbH as well as its parent company Accedia GmbH makes a reorganisation of the company management necessary.

We are therefore very pleased to inform you that, in addition to Mr. Mensing, Mr. Kay Wagenhaus has been appointed as Technical Managing Director and Mr. Franck Poirier as Commercial Managing Director of Tornado as of 01.06.2022.

"This is an important step for Tornado and ACCEDIA GmbH that ensures the continuity and future development of the company. After more than 24 years as Managing Director of Tornado, it is a great honour and pleasure for me to announce this change in management." Norbert Mensing, Managing Director Tornado Antriebstechnik GmbH

Norbert Mensing will remain with Tornado as Managing Director and will actively support the new management. However, his focus will shift to the further development of the Accedia GmbH group of companies.

We would like to thank you very much for the trust you have placed in us so far and look forward to continuing our reliable cooperation.

With best regards
The management of Tornado Antriebstechnik GmbH

Norbert Mensing
